Digital Clock setting procedures are as follows:

BLACK CLOCKS

Turn *play/pause* switch to pause & white's plunger up.

Turn on/off switch on by holding on button underneath for 2 or 3 seconds.

Push *select* button to set game to "u1" for 60 min + 10 sec per move or "u2" for 90 min + 30 sec per move.

Press *select* through the menu to finalise the settings.

Please turn the clocks off after the competition.

RED CLOCKS

Turn on/off switch on by holding on button underneath for 2 or 3 seconds.

For 60 minutes or 40/90 go to setting 23 (manual setting) and press ok for each digit.

Set the hour (01.00) and ok ok for player 1.

Set the hour (01.00) and ok ok for player 2.

Then repeat the process to set the 10 seconds per move for each player and ok till display is set ready for play (by player 2) pressing the start button.

Please turn the clocks off after the competition.
