A number of changes have been made to the rating system to better handle improving players including but not limited to juniors. These changes resulted in a recalculation of all players ratings for all previous periods from December 2000, prior to the processing of the December 2006 ratings period. As such players who played no games in the December 2006 rating period may have different ratings to those previously published. This change will also effect players eligibility and position on the Top Improvers list as their previously published rating most likely changed.

For the December 2006 rating period there were 233 Tournaments rated (85 Classic, 148 Rapid) and 16724 games of which 5888 were in the ACF Classic rating system and 10836 were in the ACF Rapid rating system.  
[Classic ratings are not on this sheet]
